DONATION POLICY

This policy has been established in line with the provisions of the Turkish Commercial Code, the Capital Markets Law, the Capital Markets Board Communiqué, Principle Decisions and other regulations and Company Articles of Association.

Purpose:

Fundamentals of Donation and Help:

The Company may make donations within the scope of social responsibility and in accordance with the principles and procedures determined by the Capital Markets Board as stated in the Articles of Association. By taking prior approval of the Board of Directors, it is possible to make donations to foundations established for social purposes, associations, educational institutions and other persons, institutions and organizations within the framework of the principles set by the Capital Markets Board; however, giving donations and grants that would distract the company from the protection of its shareholders' rights are avoided.

All donations and grants made under the direction of the Company's management are made in accordance with the company's vision, mission and policies, taking into account the company's ethical principles and values and company annual budget appropriations. Donations and aids can be made in two ways, cash and in kind.

The form, amount and nature of the donation are expected to be in accordance with the corporate social responsibility policies of the institution, organization or Civil Society Organization (CSO). Detailed information is provided to the public by placing a separate agenda item at the Ordinary General Meeting of the year about all of the donations and the amount of aid and the beneficiaries of the policy changes made during the period.

Within the framework of the Capital Markets legislation, the limits of donations and grants made by shareholders are determined by the general assembly.

In this context, the limits set by the General Assembly within the framework of the provisions of the relevant legislation shall be taken into consideration when giving donations and assistance. In addition, for the implementation of the donations will be made and assistance, in-house implementation principles that determine the "Donate Regulation" is complied.
